## THE SUMMER CAMP STAFF

The staff is committed to our mission to ensure that your child or teenager has a safe and fun experience. We have creative, adventurous, committed, good humored, faithful, and talented staff each year who help operate the camp. For the past 20 summers, we have had one or more international staff members. They have come from England, Wales, Slovenia, Poland, Scotland, Sweden, Germany, Ireland, Australia and New Zealand. They each bring unique gifts and perspectives to our program that add a wonderful dimension and diversity to our staff. We are looking for college age staff again this summer if you know of someone who might be interested!
