“A PERSPECTIVE ON RUSSIA”

MARCH 14th, 2017

DARRYL HOLLAND will present “A Perspective on Russia.” Mr. Holland’s presentation is based on experiences he has had on three separate visits to Russia. His first visit was as a Delegation leader for a “People to People” high school and college delegation who travelled to the Soviet Union in the mid-1980’s, when the country was still under communist rule. His second visit was as a member of a Virginia 5-teacher exchange program in 1997, where he lived in the homes of two private citizens in the town of Voskresensk near Kolomna. He had the privilege of teaching classes on this trip, attending a Russian church service, and hosting the principal of the school in his own home the following spring. His third visit to Russia was on a Fulbright scholarship through Iowa State University in the summer of 1998.... Project Linking V.

Darryl teaches classes in Horticultural and Agricultural Science at Magna Vista High School in Henry County, Virginia.
