"ISLAM: HOW IS IT CONNECTED TO JUDAISM AND CHRISTIANITY?"

May 12th, 2020

Dr. Saleem Ahmed will present "Islam: How is it Connected to Judaism and Christianity?"

Where is the line between what we "hear" about the Muslim faith, culture and people, and what is in fact the reality? Islam calls for the belief in only One God - the Creator and Master of everything. Muslims believe that God has a purpose for each and every creation, and this fundamental belief is taught through various prophets and books sent by God. The first hour of the presentation will discuss the history of Islam followed by a short discussion. The second hour of the program will involve a screening of the DVD "Misconceptions about Islam," which will also be followed by a short discussion. In both of these sessions, the connections between Islam, Judaism, and Christianity will be explored.

Dr. Saleem Ahmed, Pakistani physician, was Director of Anatomy at the Virginia Tech Carilion School of Medicine. He also taught at Jefferson College of Health Sciences' Physician Assistant Program and at the Edward Via Osteopathic

School of Medicine in Blacksburg.

He holds a Higher Secondary Certificate from St. Patrick's College in Pakistan and a Bachelor of Medicine and Surgery (equivalent to an M.D.) from Assiut University in Egypt. He became a Fellow of the College of Physicians and Surgeons of Pakistan and practiced as a general surgeon at the Aga Khan University Hospital and Medical College in Pakistan and at the University of Iowa Hospitals & Clinics.

Dr. Ahmed is an active member of Voices of Faith, Points of Diversity, and the Diversity Committee of the Roanoke County Public Schools. More recently, Dr. Ahmed has also been actively involved on the advisory boards of Roanoke Valley Unites and a Virginia Humanities funded program: "Changing the Narrative."

Please join us for a great program, fellowship, lunch, and bring a friend!
