SUMMER CAMP 2019

Thank you to the 2019 summer camp staff for their hard work this successful season!

Summer Camp 2019

The summer of 2019 was perfect in so many ways... great weather, amazing campers, a July 4th dunk tank, climbing new heights, cooling off in the pool, and so much more! We are so thankful for the community that has been created here over the 20 summers of Phoebe Needles Camp.

"You all have been a blessing in my life, and for that, I am truly grateful," a quote from a senior camper, Savannah.

We have already started planning for the summer of 2020. Plan to bring a friend this coming summer, as one camper tells her friends, "You need to come to camp next summer."

If you're missing camp during the winter months, join us for our Summer Camp Reunion in December! Also, check our website in the near future for updates about our 2020 summer camp programs. We hope to see you there!
