## “CLIMATE REALITY”

July 12, 2022

10:00 a.m. to 12:00 p.m.

Dr. Steve Gardner will present “Climate Reality,” a program highlighting the current state of the world’s climate emergency.

Dr. Gardner is a retired dentist from Harrisonburg, VA. He now lives in Bedford County, VA, with his wonderful wife of 42 years, Kathryn. He has 3 adult children and 5 grandchildren, and he wants a clean and peaceful world for them. Steve graduated from Bridgewater College, taught high school biology, and was the head track and field coach for 4 years. He received a master’s degree in biology from the UVA, followed by his D.D.S. degree from MCV/VCU School of Dentistry. Besides practicing dentistry for nearly 30 years, he volunteered at the Rockingham County and Roanoke free clinics and taught a radiation safety course at Blue Ridge Community College. Since retiring from his dental practice in 2016, he has been involved with environmental and climate issues. He is a Virginia Master

Naturalist and is involved with Smith Mountain Lake Association’s “Water Quality Monitoring Program” and the “Buffer Landscape Advisory Service Team”. He was trained by Al Gore’s Climate Reality Leadership Corp in October 2017. In September 2019, he completed an Individual Challenge with the organization Climate Ride by riding his bicycle almost 600 miles down the Skyline Drive and the Blue Ridge Parkway to raise donations and awareness for non-profit organizations fighting climate change. He can be followed on facebook at “Steve Rides For Climate” and on Instagram at “steveridesforclimate” and he can be contacted at skidder7.sg@gmail.com.
