"THE MAGI: WHO THEY WERE, HOW THEY'VE BEEN REMEMBERED, & WHY THEY STILL FASCINATE"

December 13, 2022

10:00 a.m. to 12:00 p.m.

Dr. Eric M. Vanden Eykel will present: "The Magi: Who They Were, How They've Been Remembered, & Why They Still Fascinate."

This program will examine the Magi--sometimes called the "wise men"--who visited Jesus in Bethlehem after his birth. Our goal will be to understand how Matthew understood the significance of these mysterious figures from the east, and also to explore some of the ways that they have been understood by Matthew's readers. This program is based on his recently published book by the same name. He will have copies available for purchase at the program.

Dr. Eric Vanden Eykel is an Associate Professor of Religious Studies at Ferrum College. He holds a PhD in Judaism and Christianity in Antiquity from Marquette University in Milwaukee, and his primary area of research is early Christian literature, with a special focus on non-canonical texts and traditions about the infancies and childhoods of Jesus and Mary.
